

**Family Assistance Policy**  
**Youth Activity Scholarship Application**

PRC adopted March 9, 2004

Revised August, 2019

**Policy:**

It is the policy of the City of Kannapolis Parks and Recreation Department to provide recreational opportunities to all citizens. Some programs require the payment of a fee to cover the expenses incurred by offering the program. Realizing the need to include all citizens in these opportunities, the City of Kannapolis will offer financial assistance to families and youth meeting the guidelines listed in this document. The number of scholarships may be limited in some programs, depending on the space available. As a general rule, scholarships will be offered to approximately ten percent (10%) of the spaces available. This percentage may and will vary from program to program. The Parks and Recreation Director will make the final decision of how many scholarships are available for each program. After the allotted numbers of scholarship spaces are filled, the Parks and Recreation Director will consider all applications on a case-by-case basis. All residents will be required to pay a portion of the fee for each program. There will be no full scholarships given by the City of Kannapolis for any Parks and Recreation activity. Available scholarships will be given on a first-come-first-served basis. Applicants will be required to provide proof of eligibility for financial assistance. Failure to provide this information when requested by staff will void this application.

**Available Assistance:**

If a household meets the 200% maximum monthly gross income limit, they will be eligible for assistance of fifty percent (50%) of the published fee.

If a household meets the 130% maximum monthly gross income limit, they will be eligible for assistance of seventy-five percent (75%) of the published fee.

☐ My child/guardian qualifies for 50% scholarship.

☐ My child/guardian qualifies for 75% scholarship
